**RE: MBE/WBE CERTIFICATION APPROVAL**

Dear Willie Sanders:

The St. Louis Airport Authority (SLAA) is pleased to notify you that your firm meets the requirements for certification as a MBE, in accordance with the policies of the MBE/WBE Program.

The effective date of your certification is noted above. Work done by your firm will count toward applicable MBE participation goals only if your firm performs a commercially useful function, is responsible for a distinct element of the work of a contract, and carries out its responsibilities by actually performing, managing and supervising the work.

If there are any changes in the ownership, control, physical address, mailing address, e-mail address, telephone number or fax number of your firm, you must notify this office immediately. Failure to report any of these changes to this office and/or any violation of the policies and procedures of this program may result in the revocation of your certification.

Your firm shall retain its certification as long as it remains a local firm, remains in active good standing as a DBE with the MRCC certifying agency, and complies with the applicable program rules. However, each year on the anniversary date of your certification, you must submit to the SLAA a signed, notarized affidavit, affirming that there have been no changes in the firm's circumstances affecting its ability to meet the requirements for certification. An Annual Update Affidavit and a contact update form will be sent to you prior to your anniversary dates. You may download these forms from our website [www.mwdbe.org](http://www.mwdbe.org). It is your responsibility to ensure that your firm's certification remains current.

Your firm's name has been incorporated in our online directory of the Directory of Minority & Women Owned Businesses. Our website address is [www.mwdbe.org](http://www.mwdbe.org), which is utilized by firms bidding on city contracts.
